

New Scene Partner® 2.0 Sets the Stage for e-Scripts Launch – New Version Now Available on the AppStore

MyTheaterApps.com Announces Scene Partner 2.0 - New Version of Innovative Actor's App Sets the Stage for e-Scripts from Dramatists Play Service and Other Publishers

Norwalk, CT April 12, 2012 – The stage is set for a new way to [learn lines](#), using digital e-Scripts from Scene Partner®. [New Scene Partner 2.0](#) gives actors the tools they need to work with these digital versions of scripts from the world's premier theatrical publishers. The first of these e-Scripts will be offered by leading play publisher Dramatists Play Service. The first selection of titles is projected to be available in May 2012.

MyTheaterApps.com, a developer of mobile applications for the theater community, announced that [Scene Partner 2.0](#) is available on the AppStore beginning today. An award winning app for actors, Scene Partner is a powerful iPhone®, iPad® and iPod Touch® app that helps actors solve the age-old problem of [how to memorize lines](#).

Scene Partner 2.0 also has the following new features:

- New Scene Partner 2.0 combines the previous Lite and Paid versions into one App for greater convenience.
- Scene Partner is now FREE and includes all the Features of the former Scene Partner Lite, plus the ability to add the Premium Paid Features of the former Full Version individually or in a convenient Feature Pack from within the app. Scene Partner Lite has been discontinued.
- The size of the App has been dramatically reduced. Scene Partner can now be downloaded over cellular networks. This also makes it easier for actors to download updates quickly as new features are added in the future.

Customers who have purchased the Full Version of Scene Partner can update to new Scene Partner 2.0 free beginning today. Scene Partner Lite customers can download the new version free by visiting the App Store and searching for keyword "Scene Partner."

“Scene Partner 2.0 sets the stage for the next theatrical innovation – digital e-Scripts from Scene Partner.”

About MyTheaterApps.com:

MyTheaterApps.com is the developer of Scene Partner, an award-winning App for the iPhone, iPad and iPod Touch that helps actors learn their lines. It merges text-to-speech software from the Acapela Group, voice recording and advanced algorithms to provide a unique and innovative tool for actors. Apple listed it as "New and Noteworthy" on the home page of the App Store. It was recently featured in Variety, STAGE Magazine and Stage Directions Magazine. Scene Partner has won awards for design excellence from Graphic Design USA, American Graphic Design & Advertising and the Advertising Club of Westchester. Scene Partner is also the winner of a 2011 Gold CQIA Innovation Prize. In December, MyTheaterApps.com announced a worldwide agreement with Dramatists Play Service to sell digital e-Script for use in the Scene Partner App.
